Sir,

Re the construction of a building for the Municipal Office in Hassan Town

---

I have the honor to state that, as the present building where the Municipal Office, Hassan is located is found insufficient for the office, and the staff, it is proposed to construct a building within the compound of the existing building for providing sufficient accommodation for the staff and octroi office etc An estimate has been duly prepared for this purpose and it has been scrutinised by the Executive Engineer for Rs.10,250/- The Municipal Council sanctioned this estimate in their resolution dated 28-2-1947 and proposed to meet a moiety of the cost out of Town Improvement grant The Municipal President was informed in this office letter No LC 2661/46-47 dated 27-5-47 that this is not a town improvement work and the Government grant cannot be utilised for this purpose It is now proposed to meet this expenditure from Municipal funds out of the provision made for this purpose in the budget for the current year

I request that sanction of Government may kindly be obtained to the estimate for Rs.10,250/- and to execute the work through Municipal Agency since there is a special Sub-overseer of the P W D employed by the Municipality for supervising Town Improvement Works

Copies of resolutions dated 28-2-47 and 28-6-1947 together with the plan and estimate are enclosed

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
